

CATARACT LAKE WATER CORPORATION

PWSID: 5260002 – ANNUAL WATER QUALITY REPORT ~ **YEAR 2025**

PLEASE JOIN US at our annual meeting on **Thursday, June 11, 2026 @ Faith Baptist Church Gymnasium** located @ 11612 State Road 243 - Cloverdale, IN @ 7 p.m. We will provide an update on company financials, will be voting on director positions and discussing the future of your water facility!

MISSION STATEMENT: To establish and maintain a Water Corporation in the counties of Putnam, Owen and Clay in the state of Indiana; formed for “**Serving Quality Water to it’s Customers**”. To deliver service to our Customers in a high quality, efficient, appropriate and caring manner. To carry on any educational activities related to rendering quality water to our customers. To participate, as far as circumstances may warrant, in any activity designed and provide quality service to our Customers.

PUBLIC INVOLVEMENT OPPORTUNITIES: Your feedback is important to us! If you have any questions regarding this report, please inquire by email: cataractlakewater@yahoo.com, contact **Plant Manager, James Perry @ (765) 795-3288** or . . . join us at a regular water board meeting held on the 3rd Thursday of each month at our office at 6090 SR 42 – Poland, IN 47868 @ 7 p.m.

See CLWC website: <https://cataractlake.myruralwater.com> for customer notices and/or updates.

WATERSHED PROTECTION EFFORTS: Our water system is working with the community to increase awareness of better waste disposal practices to further protect our drinking water sources. We are also working with other agencies and local watershed groups to educate the community on ways to keep our water safe. Please do your part and disposed of used motor oil, antifreeze and other hazardous materials properly.

PLEASE SHARE THIS INFORMATION: Large water volume customers (like apartment complexes, hospitals, schools, and/or industries) are encouraged to post extra copies of this report in conspicuous locations or to distribute them to your tenants, residents, patients, students, and/or employees. This “good faith” effort will allow non-billed customers to learn more about the quality of the water they consume.

PROUDLY SERVING OUR COMMUNITY FOR 60 YEARS!

~ “1966 TO 2026”
